INDEX
Volume 66
January-December 1999

© 1998 and 1999 Kalmbach Publishing Co., 21027 Crossroads Circle, P. O. Box 1612, Waukesha, WI 53187-1612. No part of this volume may be reprinted without the specific permission of the publisher.

Using the index: Most of the feature material has been indexed at least three ways – once by the title, again under the author's last name, and finally by subject, usually falling under at least one of the MR subject categories.

An asterisk (*) preceding an entry indicates a feature by its title.

These are the MR subject categories:

Biographical sketches	Garden railroading	Project layouts
Cartoons	Industries you can model	Prototype drawings
Clubs	Layout descriptions	Railroad you can model
Concept, inspiration, and commentary	Model railroading in small spaces	Techniques
Construction articles	Modular railroading	Track and related items
Control and electrical	Obituaries	Track planning
Cover photos	Operation	Track plans
Fiction	Photography	Traction

These are the indexed MR departments:

Along the Line looks back	Model of the Month (ended 8/99)	Railroader's Library (ended 9/99)
Ask Paint Shop	MR News	Trackside Photos
Back to Basics	One Reader's Opinion	Trains of Thought
Editorials (At the Throttle)	Paint Shop (ended 9/99)	Workin' on the Railroad
